

Vintage Hills Lego and Lego Robotics club registration form.

(This form can be used for multiple children)

The fee for this program is per student for the year. This fee helps offset the cost of our Lego Mindstorms EV3 and other Lego systems, including battery and parts replacement. It also covers administrative expenses and enables us to augment the program for future classes. Accounting is administered by the Vintage Hills PTA. Scholarships are available upon request.

Classes have been scheduled to run concurrently with the Engineering for Kids program; both are on Wednesday mornings. Depending on the number of children who register, individual groups may or may not meet every Wednesday. The final schedule will be provided in late September to parents who have registered and paid.

Club A: Lego Club (1st-3rd grade) will meet in the 4/5 Hallway

Club B: Intermediate Lego Robotics Club (3rd-4th grade) meets in Room 34 (Music Room)

Club C: Advanced Lego Robotics (4th-5th grade) meets in Room 33 (Computer Room)

Fees: Lego Club (1st-3rd grades): \$50 for the school year.
Intermediate Lego Robotics (3rd-4th grades): \$75 + \$50 refundable lab fee
Advanced Robotics (5th & experienced 4th graders): \$100 +\$50 refundable lab fee

Lab fee is refundable upon (a) completion of at least 3 parent volunteer hours and (b) "Kit Cleanup" day (restoration of Lego Kit to good-as-new condition with all parts in place).

(Make checks payable to: VH PTA)

Student Name: _____ Grade _____ Club choice (circle one): A, B, C

Student Name: _____ Grade _____ Club choice (circle one): A, B, C

Student Name: _____ Grade _____ Club choice (circle one): A, B, C

Student Name: _____ Grade _____ Club choice (circle one): A, B, C

Parent(s) Name(s): _____

Phone #s: Primary: _____ Cell/Alternate: _____

Parent(s) Email(s): _____

I, as parent and/or guardian of the above-mentioned child/children, agree that by registering them for the Lego and/or Lego Robotics Groups, I will also sign up for a minimum of 3 hours of volunteering roles for the club. The \$50 lab fee will be returned ONLY to parents who have volunteered 3 hours, and whose child(ren) have restored their kits to "good as new" condition at the end of the year.
